7. The Authority commends the quality of the reports presented and took note of the recommendations contained therein.

## **On the social and political situation in Mali**

8. The Authority notes that the security and humanitarian situation in Mali continues to deteriorate with attacks by terrorist groups resulting in military and civilian casualties.

9. It notes that during the last mission of the ECOWAS Mediator to Mali from 18<sup>th</sup> to 20<sup>th</sup> March 2022, the Transition Authorities proposed a 24-month timetable, that is, two (2) years in addition to the 18 months that have already elapsed.

10. The Authority notes that, in view of the global political and security situation, there is an urgent need to reach an agreement in order to avoid further deterioration of the situation in the country.

11. The Authority regrets the non-availability of the President of the Transition to physically honour the invitation extended to him to participate in the Summit in order to find a solution to the current situation in Mali.

12. The Authority congratulates and commends the efforts made by the ECOWAS Mediator with a view to obtaining a consensual timetable to ensure a quick return to constitutional order, in accordance with the ECOWAS and African Union protocols and decisions.

13. In light of the foregoing, the Authority urges the Transition Authorities to adhere to the additional period of 12 to 16 months which has been agreed by the joint technical team ECOWAS/AU/UN for the extension of the transition with effect from 15<sup>th</sup> March 2022, taking into account the activities required for the conduct of the presidential elections. The Authority decides to send the Mediator to Mali to continue and finalise the discussions on the chronogramme with the Transition Authorities.

14. Furthermore, the Authority decides to:

- a. uphold the sanctions imposed on 9<sup>th</sup> January 2022;
- b. continue the dialogue with a view to reaching an agreement to ensure a gradual lifting of the sanctions;
- c. call on partners to increase their humanitarian support to Mali;

15. The Authority expresses deep concern about the deteriorating security situation in Mali. The Authority urges the Transition Authorities to step up efforts to enhance security in the country and reiterates its call on Member States and the Commission to accompany the efforts of the Transition Authorities in this regard.

### **On the social and political situation in Guinea**

16. The Authority expresses serious concern over the lack of visibility on the transition. It notes that the six-month deadline set by ECOWAS for the conduct of

elections has not been respected. Furthermore, the transition timetable is still not available, priorities have not been set and little progress has been made in the transition process. Similarly, the socio-political situation is deteriorating due to insufficient dialogue between the government and political stakeholders and civil society actors.

17. Consequently, the Authority:

- a. Demands the finalisation of an acceptable transition timetable no later than 25<sup>th</sup> April 2022. After this deadline, economic and financial sanctions will be immediately applied;
- b. calls on the government to promote the inclusiveness and dialogue with the political stakeholders and civil society actors in handling the transition in order to reduce tension in the country and ensure a peaceful transition;
- c. urges the Transition Authorities to comply with the laws and regulations in the process of recovering the presumed state assets.

18. In view of the socio-political crisis and the urgent need to facilitate dialogue between all stakeholders, the Authority reaffirms the decision to appoint a Facilitator.

### **On the social and political situation in Burkina Faso**

19. The Authority expresses deep concern at the continued detention of former President Roch Marc Christian Kaboré since the coup d'Etat, in spite of several

appeals for his unconditional release. The Authority further notes that the transition authorities are struggling to improve the security situation in the country and find solutions to the humanitarian situation.

20. Similarly, the Authority remains very concerned about the duration of the transition period set for thirty-six (36) months by the Transition Charter.

21. In this regard, and in accordance with the Communiqué issued by the Extraordinary Summit of 3<sup>rd</sup> February 2022, the Authority:

- a. reiterates its strong condemnation of the coup d'Etat of 24 January 2022;
- b. demands the immediate and unconditional release of President Roch Marc Christian Kaboré;
- c. decides to uphold the suspension of Burkina Faso from all ECOWAS institutions until constitutional order is restored;
- d. demands the finalisation of an acceptable transition timetable no later than 25<sup>th</sup> April 2022. After this deadline, economic and financial sanctions will be immediately applied;
- e. calls on the International Community to strengthen its humanitarian support to Burkina Faso.

22. Furthermore, the Authority decides to appoint a Mediator for Burkina Faso to facilitate dialogue among all stakeholders and ensure a smooth transition.

23. The Authority urges the Transition Authorities to step up efforts to enhance security in the country and calls on Member States and the Commission to accompany the efforts of the Transition Authorities in this regard.

24. Finally, the Authority calls on the African Union, the United Nations and all bilateral and multilateral partners to continue to support ECOWAS measures in Mali, Guinea and Burkina Faso, to maintain peace and stability in our Region.

25. At the end of their deliberations, the Heads of State and Government expressed their deep gratitude to **H.E. Nana Addo Dankwa Akufo-Addo**, President of the Republic of Ghana and Chair of the ECOWAS Authority of Heads of State and Government, for his leadership in ensuring the success of the Summit.
