COMPUTER INFORMATION TECHNOLOGY SPECIALIST**

I. Position Information

Job Title: Computer Information Technology Specialist

Duty Station: Abuja, Republic of Nigeria

Category: International ECOWAS Volunteer

Type of Contract: ECOWAS Volunteers Programme. Non-Family Position

Expected start date: 1st July 2023

Duration: One (01) year, with possibility for renewal (depending on budget availability and satisfactory performance)

Deadline for Application: 15th June 2023

II. Preamble

The Economic Community of West African States (ECOWAS) was founded by the Treaty of Lagos, in May 1975 and is a regional group of fifteen countries: Benin, Burkina Faso, Cabo Verde, Côte d'Ivoire, The Gambia, Ghana, Guinea, Guinea Bissau, Liberia, Mali, Niger, Nigeria, Senegal, Sierra Leone and Togo. The aim of the Community is to promote co-operation and integration, leading to the establishment of an economic union in West Africa in order to raise the living standards of its peoples, and to maintain and enhance economic stability, foster relations-among Member States and contribute to the progress and development of the African continent.

Through its departments and various agencies, ECOWAS is implementing critical and strategic programmes that will deepen cohesion and progressively eliminate identified barriers to full integration. In this way, the citizens of the community can ultimately take ownership for the realization of the new vision of moving from an ECOWAS of States to an “ECOWAS of the People: Peace and Prosperity for All” by 2050.

Toward the achievement of this vision, the ECOWAS Youth and Sports Development Centre (EYSDC), which was created by the Decision A/DEC.13/01/05 of 19th January 2005 at Accra, Ghana as a specialized Agency, is implementing policies, activities and strategic action plans, as well as the ECOWAS vision in the areas of youth and sports, including the ECOWAS Volunteers Programme (EVP) under the Human Development and Social Affairs Department of the ECOWAS Commission. It is based

in Ouagadougou (Burkina Faso) under the headquarters agreement signed between the Burkina Faso authorities and the ECOWAS Commission.

III. Organizational Framework of the Mission

Since its official launch in Monrovia, Liberia on 26 March 2010, the ECOWAS Volunteers Programme (EVP) has devoted time, resources and expertise to promoting regional unity, peace, and development through volunteerism. The ECOWAS volunteers, young male and female Community citizens, have kept faith with the ECOWAS vision of a community of people supporting people, and demonstrated their collective conviction that peace-building and reconciliation can be useful development tools for establishing peace in member States and across West Africa region.

The ECOWAS Volunteers Programme (EVP) is a demand-driven flagship programme of the ECOWAS Commission. It seeks to harness and inject the expertise and professional and personal contributions of mainly young citizens into the process of the implementation of national development agenda of their host countries and communities. And as they do so, they also build and develop their own capacities through contacts with their new professional and social-cultural environments and the lessons derived therefrom.

Under agreement between the ECOWAS PEACE FUND (EPF) Office and the ECOWAS Youth and Sports Development Centre (EYSDC), the ECOWAS Commission intends to recruit an International Volunteer as Computer Information Technology Specialist within the framework of the African Peace and Security Architecture (APSA) IV in order to assist in the implementation of the project.

The APSA IV, the European Union (EU) support to the African Peace and Security Architecture Programme provides a continental framework for the African Union Commission (AUC), Regional Economic Communities (RECs) and Regional Mechanisms (RMs) to jointly prevent, manage and resolve conflicts in Africa.

Likewise, the AUC and other RECS/RMS, the ECOWAS Commission implements activities under the EU sponsorship in the areas of Conflict cycle management, with a focus on Early Warning; the African Standby Force; Coordination and Partnership at all levels within the APSA, including engagement with Civil Society Organizations and Engagement with and inclusiveness of youth and children.

The overall objective of the programme is to reduce the incidence, duration and intensity of violent conflicts in Africa, with the following specific results:

- SO1: The conflict cycle management under APSA is improved, with a focus on effective Early Warning Systems and the African Standby Force.
- SO2: The effectiveness of cooperation within and around the APSA framework including CSOs engagement are strengthened and
- SO3: The APSA is more inclusive of youth and children.
