### **ON WEST AFRICAN ECONOMIC PERFORMANCE**

9. The Authority welcomed the progress made in some Member States, nearing double-digit growth rates, but expressed concern about the region's poor performance due mainly to the combined negative effects of the fall in oil prices since 2014 on the fiscal balance of oil-exporting countries, particularly Nigeria, deteriorating prices of other commodities, especially mineral ores as well as the fragile political situation in some countries.

10. In this respect, it urged Member States to initiate the necessary structural reforms and take appropriate economic and financial stimulus measures in order to be less vulnerable to commodity price fluctuations and improve their economies' resilience to exogenous shocks.

### **ON REGIONAL INTEGRATION AND DEVELOPMENT MATTERS**

#### **Concerning free movement of persons and goods**

11. The Authority is concerned about the continuing obstacles to free movement of persons and goods in the Community.

12. The Heads of State and Government invite Member States to take all the necessary measures to strictly implement all the provisions of the Protocol on free movement of persons and goods, right of residence and establishment.

13. The Authority welcomes the setting up of the Presidential Task Force on free movement, and urges the Task Force to recommend as soon as possible innovative and effective measures to curb the scourge.

14. It directs the Commission to intensify awareness creation for the Community citizenry and regularly organise joint sensitisation meetings between border security services and the local populations.

## **CONCERNING AGRICULTURE AND WATER RESOURCES**

15. The Authority took note of two key initiatives underway, namely the finalisation of the 2<sup>nd</sup> phase of the National Agricultural Investment Programmes (NAIPs) in Member States and the fostering of cooperation between the State of Israel in the areas of agriculture and rural development. 16. The Authority further endorsed the approval of the Council of Ministers regarding the decision of the African Union to transfer the Regional Integrated Development Support Programme for the Fouta Djallon Highlands to ECOWAS, given its importance for the Community as the watershed for most of the major rivers within the Community.

## **ON INFRASTRUCTURE DEVELOPMENT,**

17. The Authority emphasised the need to develop road, railway, air and maritime infrastructure necessary for boosting intra-Community trade, to enhance development prospects and to assist in the fight against poverty. In this regard, it urged Member States to pursue efforts aimed at encouraging the structural transformation of the region's economies and infrastructure development.

## **CONCERNING THE HOLDING OF THE ROUNDTABLE FOR THE COMMUNITY DEVELOPMENT PROGRAMME (CDP),**

18. The Authority took note of the high-level consultations undertaken by the Commission, culminating, on the one hand, in the Ivorian Authorities' decision to hold the CDP roundtable by the end of March 2017, and on the other hand, in the acceptance of the African Development Bank to lead and mobilise effective participation of other partners in the process.

## **ON INSTITUTIONAL MATTERS**

### **Concerning the ongoing institutional reforms**

19. The Authority took note of ongoing institutional reforms in the Commission and other ECOWAS Institutions. It stressed the need for the reforms to take account of the economic and financial situation within our region thus paving the way for the establishment of cost effective, efficient and sustainable structures for the Community.

20. The Authority commends the President of the Commission for the cost containment measures adopted for running the affairs of the community and encouraged him to continue in his efforts at controlling community expenses.

21. The Heads of State and Government adopted the Supplementary Act on the enhancement of powers of the ECOWAS Parliament to enable the Parliament, on a gradual basis to perform the traditional roles of a Parliament. ### **AS REGARDS RESOURCE MOBILISATION FOR FUNDING COMMUNITY PROGRAMMES**

22. The Authority commends the Commission for its efforts at embarking on other innovative methods of mobilising resources for Community activities through the expansion of its partnerships.

### **ON ECONOMIC PARTNERSHIP AGREEMENT (EPA) AND COMMON EXTERNAL TARIFF (CET)**

#### **CONCERNING THE ECONOMIC PARTNERSHIP AGREEMENT (EPA)**

24. The Authority took note of the ratification of the Interim EPAs by Ghana and Cote d'Ivoire in order to continue to preserve preferential access to the European market beyond 1 October 2016. The Authority urges Member States that have not signed the EPA yet, to do so, in order to eliminate the existence of multiple trade regimes in the region with a view to consolidating our regional integration agenda.

#### **REGARDING THE COMMON EXTERNAL TARIFF (CET)**

The Authority expresses concern over the serious humanitarian situation occasioned by Boko Haram attacks in North-East Nigeria, affecting 14 million people, 7 million of which require humanitarian aid, the majority being children.
